## Lockington 34th Annual Produce and Handicraft Show

*Be part of the Show...*

The Show this year will take place on Saturday 5th August 2023. Plenty of time then for you to think about how you can be part of this community event.

A taster of classes added this year;

A new Home Produce class in view of current energy prices - A 'no bake' item.

A Memorabilia Class - 'Childhood memories - Toys and games', so start searching your cupboards and lofts!

The scarecrow theme will be 'Celebrating 100 years of Disney Studios'

'Outdoor gathering' in the Photography classes we hope will generate a varied selection of events.

More details will be in the Schedule which will be delivered nearer the Show.

Following our appeal for new members on the Organising Group, we are pleased to welcome Lynn Hunter and Sue Rowson.

## Marie Curie

A big thank you to everyone on the section of Front Street I collected on in March. Thanks to your contributions, £80.30 was raised for the charity and I pass on their grateful thanks.

*Andrew Proctor.*

## Kevin Marshall

Kevin Marshall, born in Lockington and a resident most of his life, passed away in hospital on 21 March. An active member of the Lockington community, and recently retired chair of the Parish council, he will be greatly missed.

*Linda Marshall and Family*

## Mobile Phone Alert

A siren-like emergency warning message will be sent by the Government to mobile phone users across the UK on 23rd April to test a new public alert system. The system is intended to be used in life-threatening situations including flooding and wildfires.

## Condolences

Our deepest sympathy goes to Linda Marshall and all the family on the loss of Kevin. A much loved and valued member of the community.

Deepest sympathy to the family and friends of Vera Duggleby of Rectory View who died in February at the grand old age of 102.

## Lockington Railway Evenings

The next railway evenings in the village hall will be:-

**April 25th** Eddie Parker - A move to Yorkshire and early photographic expeditions late 1970s and early 1980s. Chris Marshman - An introduction to the Leek and Manifold Valley Light Railway. Allen Ferguson - The Last B16 4-6-0, the story in photos.

**May 23rd** Jonathan Stockwell - The story of the Derwent Valley Light Railway, a 16 mile line from Layerthorpe near York to Cliffe Common near Selby, from its early days to preservation of a 3/4 mile section at Murton.

## LOCKINGTON VILLAGE HALL

Thank you to all those who've supported our latest season of special events, we hope you've enjoyed them, and there's plenty more to come!

### Films in April

Matinee Film - Monday 3rd at 2pm.  
Mrs Harris goes to Paris

Starring Lesley Manville as Ada Harris, who thinks her lonely life as a London house cleaner might be turned around if she can become the owner of a Christian Dior gown. This uplifting story of how an ordinary woman becomes an extraordinary inspiration by daring to follow her dreams!

Film Night - Friday 14th at 7.30pm.  
ELVIS

Starring Austin Butler and Tom Hanks. The story is told from the perspective of his manager Col. Tom Parker, played by Tom Hanks, a divisive figure who Elvis couldn't get rid of! This was the second most watched movie of 2022 (in the UK). I guess I should be worried you've already seen it, but I think it's good enough to see twice!

Film shows in Lockington have gone from strength to strength (7 films this year so far), and we'd like to thank all of those who have been, especially the regulars. We'd like to encourage those who know about it but haven't been tempted, to come along and enjoy film locally on the big

# VILLAGE HALL NEWS

screen. There is no charge (although you're welcome to give a donation to the Village Hall), and refreshments are always available!

Film titles and dates for May are still to be finalised, please look out for the posters round the Village or on the Village Notice Board in early April for details.

## Village Shop

The Village Shop is open every Thursday in the hall during Coffee Morning selling a wide range of allsorts, from a stapler or copier paper to self raising flour or a get well card! I will have a current stock list up in on the Village Notice Board shortly. The most popular seller at this time of year is Bird Food. I sell it by weight or value and I charge the same rate for all quantities large or small. It's helpful if you can supply your own containers. I do have some pre weighed on a Thursday in the hall, but I sell most of it from home because it's too bulky to keep anywhere else. All you need do is text me on 07758 785 223 with your order. If getting out and about is a problem I may even deliver. How's that for service!

**Bird Food Stock list - Peanuts, Sunflower Hearts, General Bird seed (supplement/high energy mix), Suet Pellets, Fat Balls (tubs of 50), Calciworms (200g)**

The shop is run for the convenience of villagers who like to be able to buy some things locally. What isn't invested back into the shop goes into Village Hall Funds. Since starting in January 2019, £2230 has gone into the hall account, not an insignificant sum! I'm very grateful to the loyal band of customers that has grown over the years and made the venture so successful. But we never rest on our laurels, your Village Shop needs you, the more the merrier!

## Pub Nights

Our monthly pub nights continue to be enjoyed by many in the village and we do thank you for your continued support. The Pub Night Team often think 'is it worth it' but when we see everyone enjoying themselves, chatting away, putting the world to rights, it does hearten our spirits to have such a wonderful atmosphere.

Our next pub night is Friday 7 April @ 7.30pm. There are events proposed for the Coronation and The Big Lunch in May and June so this will be the last pub night until the Autumn.

New to pub night are an alcohol free Wold Top beer, a Wold Top lager and a whisky. We have a wide selection of soft drinks, Wold Top beers and various gins. Tea/coffee optional but available! For the moment our prices are very reasonable and don't reflect the general increase in prices overall.

Come along and give Pub Night a try - you will be sure of a warm welcome!

*Pub Night Team*
