To Rosie and Pete Fletcher who are now the Northern Champions of the Heron Class Dinghies, having won at the sailing competition on a reservoir near Holmfirth in September against stiff opposition.

## Sonia Dixon

We would like to thank the many people who sent cards and condolences on the death of my sister Sonia. Her daughter Sally, myself and the extended family were deeply moved. *Doug Scott*

## Birthday Celebrations

Ray Thompson hosted his great grandson, Reuben's first birthday party at New Farm, Aike on Saturday 27th August.

Four generations: Ray with daughter Nettie, granddaughter Charlie and great grandson Reuben

## Condolences

Deepest sympathy to Pam Wainwright and all her family on the tragic loss of her dear son Peter.

A lovely man who is sadly missed by all who knew him during his stay in Lockington.

# Lockington 33rd Annual Produce and Handicrafts Show 2022

The day was blessed with good weather. As the first 'new-normal' post-Covid show, the number of classes was slimmed down to allow greater space inside the village hall, and classes were designed to be simple and easy for people to enter. There were over 250 individual entries.

The weather obviously affected some of the vegetable, fruit and floral entries, but nevertheless residents came up with some stunning exhibits. The home-produce classes were as tempting as ever and floral entries in 'A Platinum Jubilee centrepiece' were really impressive. Very pleasing was a significant increase in childrens' entries and those from families new to the village. Once again, Lockington School pupils treated residents to a magnificent display of their work with examples of their best handwriting and portraits of The Queen.

The scarecrow class continued this year with the theme of 'Kings & Queens'. This led to some creative thinking with a wide variety of scarecrows such as a headless Charles I, Tutankhamun, 'I want to break free', and The King of the Jungle. The winner was Her Majesty with her Corgis! The Fun Dog Show returned by popular request and was much enjoyed by everyone, especially the dogs!

The Show is primarily a community event not a fund-raising activity, but even so a total of just over £350 was raised towards the up-keep of the village hall. Finally, a big thank you to all the exhibitors who produced such diverse, impressive, intriguing and sometimes amusing exhibits, which filled the village hall with colour and interest. Without you, there would be no show!

# LOCKINGTON VILLAGE HALL NEWS

The Village Hall Committee members wish to express their sadness at the death of Her Majesty Queen Elizabeth II. It was felt to be inappropriate for Film Matinee to show further episodes of The Crown on Monday 12th September, and these have been rescheduled for Monday 24 October. We also had to cancel the play "Landmarks" unexpectedly when the production company withdrew the tour. They've apologised for any inconvenience caused and hope to reschedule for Autumn 2023.

## Viewfinder Photographic Society Exhibition

Friday 14th - Sunday 16th October

Opening at 10am until 4pm each day with free admission to see this excellent display of pictures. Most can be purchased, but there is also the opportunity of winning the picture of your choice for £1. Refreshments will also be available.

Places are still available for a talk entitled 'From the Mountains to the Sea' by Andrew Chandler, a photographic journey through Abruzzo, Italy. It starts at 7.30pm in the hall the night preceding the Exhibition. Admission is by ticket only as spaces are limited. Please contact me or see poster for details.

## Abba Reunited

Saturday 26th November

The show is sold out and tickets have been available for some time. Please could those with uncollected tickets contact me as soon as possible.

## 'From the Mountains to the Sea' The Abruzzo Region of Italy

How the best landscape photography is taken and why there are such attempts to capture images in a still, calm, and serene way. Through spending several hours in the location, waiting for the right moment, and the use of a tripod, the photographer has always been a patient.

Since 2017, I've been entering regularly in the annual Italian competition for photographic excellence and I've been fortunate to be selected as the winner of the award for the best landscape photograph. From the medieval hilltop town of Santo Spirito di Sassano in the Apennines, to the beautiful coastline of the Adriatic, the Abruzzo region is still a beautiful and just about as unspoiled as you can get.

We illustrated talk will be held after I've discussed to the end and I'll be going back!

## A celebration of Simon and Garfunkel

Saturday 17th December

I still have tickets available for both the Evening and Matinee performances. This is a quality act which you won't want to miss so I'd appreciate your call for tickets as soon as possible. The evening show will certainly sell out and as I don't expect the matinee to have the same numbers, I'm hoping to create a relaxed atmosphere with table seating, teas and cakes etc.

## Film Matinees

Monday 10 October at 2pm. (Not the usual first Monday of the month). We had our most successful afternoon so far for the showing of Mrs Caldicott's Cabbage War in early September, and we're following that with..... **The Mystery Film!** Not its title, but one we hope newcomers and regulars alike will really enjoy. It was a spectacularly successful film. See "Dates for your Diary" for November and December, titles to follow. Sarah and I would like to thank all those loyal attendees of Film Matinee and we hope the selections we make are the right ones. Many of our choices have been suggested by you, the audience. Keep them coming!

## Next Year....

January 14th we have the return of the Ukulele Band that entertained us at the Platinum Jubilee. The History Wardrobe returns on February 18th. Abbey Road (Beatles tribute band) is coming on 11th March. The Hayley Sisters are booked for 21st October - look them up on YouTube!

Iain Gaydon

## Pub Night Returns!

Our monthly Pub Night is starting up again on Friday 7 October. Doors open at 7.30pm. November's Pub Night is Friday 4 November. Dates for December and January will be published in the next gazette.

We will have the usual suspects on offer - a range of Wold Top beers, cider, lager, G&Ts! But we also have a variety of soft drinks and tea/coffee. Cash bar only.

If you are new to the village it's a great way to meet people in a relaxed atmosphere. Music, dominoes, cards and other delights await or just come and chat! You will be sure of a warm welcome.

Pub Night Team

**Thank You** With the death of Her Majesty the Queen it makes it even more special that we, as a community, celebrated her Platinum Jubilee in such magnificent style. It is never too late to say thank you and we are sure that we speak for many when we acknowledge the great efforts of Louise, Stephanie, Heather, Barbara and Sue. To have the initial idea and to take it forward in terms of the planning and execution of such a brilliant and significant event was exceptional. So much hard work and responsibility should not go unrecognised. Well done and thank you for giving us a truly memorable occasion.

In addition, the contribution of the Gazette Editorial Team in producing a superb Platinum Jubilee souvenir edition also deserves a special mention – and once again thank you! *Geoff and Hazel Dunham*

**Thank You** Just to say many many thanks to friends and neighbours who sent cards, flowers and paid visits during my son Peter's illness and untimely death. A very special thanks to the village hall committee for their hard work on the day of the funeral. You have all been so kind to me and my family. Thanks again.  
*Pam Wainwright*

**Thank You** I would like to say a big thank you for the help and kindness, cards, flowers and messages I received during my bout of ill health this Summer. Kind regards to all. *Ann Marson*

We have a village information sharing email that is used for advertising events in the village hall and events held within the village. We also occasionally use it for individuals to request recommendations, ask for help or to advertise something locally. ## Lockington Railway Evenings

Chris and I are firming up details of the next two evenings in the village hall:-

**Tuesday October 18th**

Chris Marshman will present 'Green Trains' – a look into some of the current developments for making trains eco friendly – including battery and hydrogen propulsion, recycling of London Underground stock and some of the techniques from the past that contribute to reduction in energy usage.

**Tuesday November 22nd**

Mike Ellis will introduce a digi presentation 'Behind the Iron Curtain'; part 2 of his German steam trips.

We are hoping the nationally known railway modeller Peter Goss will be able to talk on his layouts.

Doors open at 7.00pm for a 7.30pm start. Coffee, tea and biscuits will be available and again during the interval. Whilst there is no admission charge, donations are welcome towards expenses with any surplus shared between the Village Hall and the Church Roof Fund. There will be a book and magazine sale in aid of the Church Roof Fund and it is hoped modellers will take along some railway items for display.

The evenings are informal and everyone is welcome to come along.

**Thank You** A big thank you to everyone who attended the Platinum Jubilee Big Lunch and the James Bond themed cinema performance. We raised £700 at the Jubilee and £175 from the film night has been donated to the British Red Cross for Ukrainian refugees. The generosity of the Lockington community is second to none.
